In addition, we may disclose your protected health information from time-to-time to another physician or health care provider (e.g. a specialist or laboratory) who, at the request of your physician, becomes involved in your care by providing assistance with your health care diagnosis or treatment, to your physician. Finally, we may use and disclose protected health information for the treatment activities of another health care entity or provider.

## **CONSENT FOR TREATMENT, FINANCIAL POLICY** AND CONDUCT POLICY

Island Orthopaedics, LLC recognizes the need for a clear understanding between patient and medical provider regarding protected health information and financial arrangements for healthcare. The following is provided to avoid any misunderstanding concerning protected health information and payment for professional services. For the protection of our patients and Island Orthopaedics, LLC, all patients are also required to present a valid form of government-issued identification upon check-in, prior to treatment.

Consent: By signing this form, I am giving my informed consent for the physicians and staff of Island Orthopaedics, LLC to treat me, including performing and/or ordering diagnostic testing or medical treatment and/or procedures, as deemed necessary in the exercise of their professional judgment. I understand I have the right to decline such testing, treatment, and/or procedures if I so choose, prior to such testing, treatment, and/or procedures being performed and/or ordered.

Payment for Service: I understand I am responsible for paying the full amount for all services on the day of service, unless my physician or Island Orthopaedics, LLC has an agreement with my insurance carrier. If I am insured, I authorize Island Orthopaedics, LLC to release all information necessary to my insurance carrier and/or its claims administrator to secure payment for services rendered. I further understand my share of the cost of the services, (e.g. co-payments, co-insurance, deductibles) will be collected upon check-out in the form of cash, check, Visa or MasterCard.

Medicare: We are participating providers with the Medicare program and accept as payment, the Medicare allowable, patient deductible and/or 20% co-insurance. If I have supplemental insurance to cover the portion of the charges that Medicare does not pay, I am responsible for providing a copy of my insurance card and any forms my insurance company may require. I understand Medicare or secondary carriers may not cover some procedures and supplies, and that I am responsible for understanding which aspects of my treatment are covered before proceeding. I may be asked to sign a form (Advanced Beneficiary Notice of Noncoverage), which states that I will be responsible for these charges if deemed non-covered.

Insurance Claims: As a courtesy, Island Orthopaedics, LLC will file insurance claims with my insurance carrier. My insurance company, in lieu of reimbursing me directly, will pay Island Orthopaedics, LLC any benefits for services rendered. I understand my insurance policy is a contract between myself and my insurance carrier only, and that my medical insurance carrier may pay less than the actual bill for services; I may, therefore, be responsible for payment of all services rendered. I understand I am responsible for making available complete insurance information for accurate filing of claims and that Island Orthopaedics, LLC may request my current insurance card at each visit. Reduction or rejection of my claim by my insurance company does not relieve the financial obligation I have incurred. It is my responsibility to know and understand my medical insurance coverage. Not all services are a covered benefit in all contracts. Additionally, some services provided will be billed separately for the office visit and may require a separate co-pay or be applied to my co-insurance/deductible. (Please call your insurance company to verify your benefits.) I will be responsible for all fees not paid by my insurance company.

Referrals and Authorizations: As a specialist, some insurance companies (particularly HMOs, Ohana, and TRICARE) require that I obtain an authorization or referral from my primary care physician prior to any visit. It is my responsibility to know if this is required by my insurance and, if so, to obtain the referral. If this is not done by the day of my appointment, I may be asked to reschedule my appointment or pay the full amount for all services on the day of service. It is my responsibility to keep track of my referral expiration dates and number of visits allowed. If my insurance company rejects a claim because a valid authorization or referral was not in place, the full cost of the visit and treatment/services rendered will be my responsibility.

Worker's Compensation, No Fault Auto, Third Party Liability claims: I understand Island Orthopaedics, LLC requires my workers compensation/no fault auto/third party liability carrier's name, address, and claim number prior to my visit. If that information is not provided, I may be responsible for paying the full amount for all services on the day of service. Additionally, if my claim is denied, I am responsible for all charges incurred.

Self-Pay Patients: If I have no medical coverage, I agree that I am responsible for all financial charges for medical treatment and services incurred while under the care of Island Orthopaedics, LLC, and payment in full is due at the time treatment and services are rendered. I understand I have the right to decline treatment and services before they are rendered, and inquire about risk and benefits of alternative treatment.

Quest Pending Patients: Island Orthopaedics, LLC may collect a \$50 deposit for each visit while my application for Medicaid benefits is being processed. I understand that if I am denied Medicaid benefits, each \$50 deposit will be applied to the cost of services rendered. I will be responsible for all charges incurred, not paid for by my deposit.

Minor Patients: Responsibility for payment for treatment of minor children and those whose parents are divorced rests with the parent/legal guardian who seeks the treatment. Any court ordered responsibility judgment must be determined between the individuals involved. Any unaccompanied minor may be rescheduled if prior authorization has not been arranged with our office.

Unpaid Account Balances: In the event that I fail to make payments for services rendered, my account may be turned over to a collection agency. I will be responsible to pay the collection agency's fees that may be incurred in the collection of any outstanding balance.

Benefit Assignment: I hereby authorize the assignment of benefits (payments) directly to Island Orthopaedics, LLC for all my insurance claims related to services received. I agree to pay any and all charges that exceed, or are not covered by my insurance company. I understand that co-payments, deductibles, co-insurance, and non-covered services are due in full at the time of service.

Appointment Cancellations: I agree to call and cancel appointments at least 24 hours in advance. This opens my appointment slot for other patients needing prompt medical care. An appointment that has not been cancelled at least 24 in advance of the scheduled appointment time is considered a no-show.

No Show Policy: If I no-show, Island Orthopaedics, LLC may assess a \$25 no-show fee that is not reimbursable by my insurance company and I will be billed directly for it. After three no-shows, I understand that I may be subject to dismissal from the practice. As a courtey, Island Orthopaedics, LLC offers appointment reminders via MyChart. It is my responsibility to ensure my current information, including phone number and email address, are on file in order to utilize MyChart.

Recording Without Consent: Digital recordings by handheld devices such as smartphones are prohibited on the premises in order to protect the privacy of other patients, visitors, staff, physicians, and contracted employees. As such, Island Orthopaedics, LLC prohibits electronic recordings made without the explicit consent of all participants. I agree to remain in compliance with this policy and understand that violation of this policy may result in dismissal from the practice.

Zero Tolerance: Island Orthopaedics, LLC has zero tolerance for verbal or physical intimidation of patients, visitors, staff, physicians, and contracted employees, as well as racial slurs or derogatory remarks. Threatening behavior may result in a combination of: a formal warning, removal from premises, immediate notification of law enforcement, or termination of any non-acute and/or non-emergent care from this facility.

Contraband Policy: For the safety and peace of mind of patients, visitors, staff, physicians, and contracted employees, I will not bring or keep any firearm, dangerous instrument, or illegal contraband on the premises. I understand that any violation of this may pose a danger to myself or others, and I am subject to immediate dismissal from the practice. Any illegal activity will be reported to the appropriate authorities.

Agreement: I have read, understood, and agree to the terms and policies of Island Orthopaedics, LLC as stated above. I am of sound mind and have been given the opportunity to ask questions and clarify any part of which was unclear to me prior to signing this document.

## **CLOSED TREATMENT OF FRACTURES**

Patients presenting to our office with fractures may have their fracture "closed treated." This means the fracture site is not surgically opened but instead may be casted, manipulated, or managed without manipulation for a 90 day period. For 90 days following closed treatment, all office visits are included to enable your physician to manage the healing of your fracture as he deems medically necessary. It does not include x-rays, injections, additional cast applications, casting supplies, post-operative shoes, immobilization boots, examinations unrelated to the fracture site, and any additional procedures. Fractures incur this charge because you are paying for our orthopedist's expert opinion on how to best treat your fracture. Our physicians have undergone additional training in fracture care and that is why you are here seeking their advice.

Please be aware you will see two charges on your bill on your first visit with a new fracture- one charge for your office visit and a second for fracture management. Even though patients who receive closed treatment do not have open surgery, they may see "treatment of fracture" or "surgery" on their bill. This is because the type of codes we use bill to insurance are categorized by insurances as surgery codes.

If you have any additional questions about your bill, please do not hesitate to call our office at (808) 548-7033.
